A black and white photograph of a stone bridge over a river. The bridge is constructed from large, irregular stones and has a simple, rustic design. In the background, a dense forest of tall evergreen trees covers a hillside. The river flows beneath the bridge, and the foreground shows some grass and a small stone structure on the bank.

We, the graduating class of 1984, have chosen Footsteps Through Time as the theme of our edition of the DARDANIAN.

During the past four years, each of us has left many footprints as we journeyed to and from the doors of Tulpehocken High. Some of these footprints left no visible impression, others have faded through time, and some have been obscured by the footprints of others. There are those, also, which are clear and fresh as the day they were made. No matter what the physical condition of those footprints may be, the memories they represent remain with us.

As seniors, we recognize the fact that this segment of our journey through life has ended, however, we are left facing a new beginning. As we step toward a new world, let us keep alive in our memories the good friends, the joy, and the special events we have all shared.

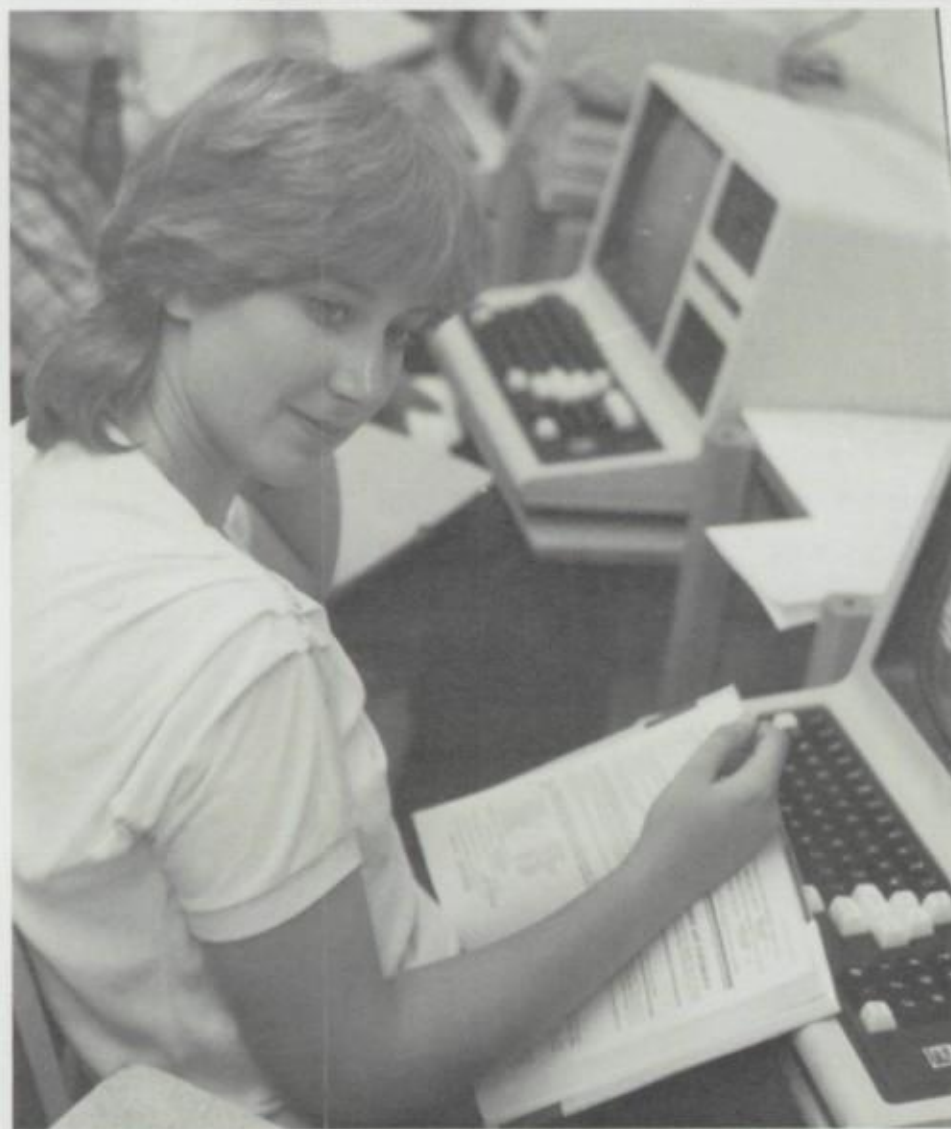

The measurement of time has been, through the years, accomplished in many different ways. We have chosen some of these various expressions of time to carry our theme throughout the pages of this work. As members of the student body, we are ever mindful of the changing seasons as each school year passes. For this reason, a season has been chosen to represent each grade level in the student body section. The administrative and teaching staffs utilize a plan book to record the passage of time during the school calendar. What better instrument than the metronome to keep time for musicians? The evolution of the school athletic program can be traced to the Greek olympic games; therefore, we have chosen the ancient sundial to represent the sports section. Finally, the life of a student is closely tied to the report of class progress, thus the school report card represents the student life section.

As we bid this final farewell to our high school lives, may we be inspired to look ahead and grow toward lifetimes filled with happiness, success, and productivity, ever mindful of our Footsteps Through Time which will lead us to a greater destiny.

FOOTPRINTS

One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonging to him, and the other to the Lord.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the Lord about it. "Lord, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The Lord replied, "My precious, precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

SCORE!

GIRLS'

Determined players and two new coaches helped turn the Girls' Basketball team of 1983-84 around. A 4-6 non-league record boosted morale greatly. Ranking among the top thirty scorers in Berks County were two of the varsity girls, Kim Graeff and Sue Kissling. With only two returning seniors, dependence was put on enthusiastic underclassmen. The junior varsity team was ambitious and energetic. Even with only five new girls, the experienced, returning members were encouraging against tough competition. The team worked diligently together to improve, especially attitude, and found the year to be most memorable and rewarding. It was a learning experience for everyone. Best wishes to next year's team.

Scot Adams, Tom Zerbe, Brad Klopp, Amandon Carles, and Steve Fisher. What do you think of when you hear those names? Yes, that's right, they are our starting line up for the Boys' Basketball Team. The team played very well under the new coaches, Mike Paulson and Kevin Kline. Scot had a high game against Brandywine with 30 points. Tom has second highest with 27 points scored against Central Catholic. Brad Klopp, Amandon Carles, and Steve Fisher lead in defensive standings. Also contributing to a well-fought season were Daryl Ritchie and Nathan Haueisen.

The team worked very hard and extremely well together.

The 1983-84 varsity cheerleading squad had a truly exciting season. In their new uniforms, the squad performed for the fans many new cheers along with old favorites. Lots of hard work went into a half-time pom-pom routine done to music with a very team-inspiring song entitled **Beat It**. The girls worked extremely hard to perfect their routine so they could compete with other schools in both pom-pom and cheering division in February. Through the whole season both the Junior Varsity and the Varsity squads represented high spirit and enthusiasm for both our team and school.

Wrestling Cheerleaders, Top to Bottom: W. Manbeck, J. Carvalho, B. Shartle, S. Emerich, and C. Rossini

This year's wrestling team consists of fourteen wrestlers including three seniors: D. Freeman, T. Edris, and L. Ritchie. The team is coached by Mr. Ron Kochera, who has been with the team for quite a few years.

The team did well this year and on December 17, 1983, four of the nine Tulpehocken wrestlers that represented THS at the Pottsgrove tournament were place winners. Tulpehocken had the highest winning percentage out of all the teams at the tournament. The four place winners were: Doug Freeman placing first in the 167 weight class, Shannon Manbeck placing second in the 155 weight class, Jim Huber placing first in the 145 weight class, and Ronald Wanner placing fourth in the 138 weight class. Of the four place winners, Doug is the only senior. Shannon, Jim, and Ronald are all sophomores and will hopefully return next year.

Jeff Shirk broke the record for most runs scored with 18. Daryl Ritchie also set a new record for most sacrifices in a season with 4. Overall the season proved to be very rewarding for the team, with a league record of 6 wins and 4 losses. The overall season ended with 9 wins and 8 losses.

This season was a rebuilding year for our softball team. The team was young and inexperienced; however, many sophomores and juniors got valuable experience. Many of the juniors and sophomores got to sub for the varsity players. The J.V. team also had several more games this year than the year before. The only two seniors on this year's team were our two captains, Carol Loose and Lori Derr. The '84 softball team will have a better season, for the reason that many of the players will be returning and, therefore, have experience.

For the boys' tennis team, coached by Miss Mohn, it was a season of rebuilding. The top five boasted of only one senior. The Trojans strove for improvement as they won several matches and came close to winning many others. When the season began, the Trojans were off to a good start as they stomped Elco and Norlebc, 5-2 and 7-0 respectively. It was a trying time for the Trojans, but throughout the season, their effort and enthusiasm showed in all the matches. The season ended with a 6-1 win over Schuylkill Valley. This year also produced a doubles team which was the first in many years to qualify for the District III competition. Scott Lorah and Dean Klopp had an 8-5 record.

DARDANIAN STAFF

The Seniors who were on the staff at the end of last year did much work during the summer to plan the basic layout of the yearbook. Every two weeks they met at the high school to discuss such topics as theme, division pages, and the total number of pages to be in the yearbook.

Besides these meetings, there were also two trips on the agenda for the ten Seniors. In June, there was the Yearbook Clinic, sponsored by Josten's American Yearbook Company, which was held at Lebanon Valley College. There they learned the basics of putting together a yearbook, which included tips on how to take good pictures and how to write interesting copy.

In July, the Seniors went on a plant tour of Josten's American Yearbook Company, located in State College, Pennsylvania, where they got a chance to see how the actual printing and binding of our yearbooks is done.

Art Manager: C. Reber.

Photographers: G. Hart, A. Bubbenmoyer.

Co-editors: C. Reber, M. Musselman.

The Dardanian staff this year consisted of both Juniors and Seniors. Due to curriculum and scheduling changes, few Seniors were able to schedule yearbook. To solve this problem, Juniors were allowed on the staff. The eleven Seniors and eight Juniors worked together to produce a worthwhile yearbook.

A lot of hard work is put into the production of a yearbook. There are always pictures to be taken and copy to be written, along with the fitting of the pictures and copy.

ASSEMBLIES

Throughout the school year, students have enjoyed many assemblies, one of which was the magazine campaign. Profits from this campaign are put into the Student Council fund and then are used for more assemblies and other various activities.

Another assembly dealt with the showing of snakes, spiders, and an alligator by John Lowris of Pocono Snake Shows.

On January 23, students enjoyed the music group, Freedom Jam. The group consisted of five members from St. Petersburg, Florida. Many students looked forward to the concert that was to be given the following evening, but due to inclement weather, it was cancelled.

CLUBS

Mr. Pail takes great effort to teach the languages and cultures of many foreign countries. Foods, music, cultural holidays and crafts are all used to emphasize the appreciation of foreign languages and cultures.

The Plain and Fancy Club explores our heritage through crafts, food, and other activities. A few of these activities include candlemaking, spinning, rug weaving, and patchwork. Members plan to exchange, prepare, and sample any "old" recipes that they can find. The club, under the direction of Mrs. Blatt, hopes to discover and better understand how our heritage has brought us to our present day.

Mr. Schwartz's main objective as advisor of the Weight Training Club is to provide a healthy way to improve strength. Each participant is encouraged to set up an individual program, suitable for his/her needs. This club also provides students with a pleasurable and healthy way to improve themselves.

CLUBS

The Needlework Club, led by Miss Ketner, offers an introduction to basic needlepoint and embroidery stitches. Various projects such as pillows, pictures, and place mats are created during this period.

This club, under the direction of Mr. Ullrich, is for students who are already active in Skiing and Sailing or who are interested in starting these hobbies. In Spring and Fall, Sailing theory and navigation will be covered and skiing-oriented activities will be discussed during the winter months.

Writing, publishing, and periodically distributing a newspaper are what goes into making the Trojan Times a success. The Newspaper Club under the supervision of Mr. Feaser and Mrs. Felty, has many dedicated members who do interviewing, drawing cartoons, making puzzles, typing, and keeping readers up-to-date with school news, features, and editorials.

CLUBS

The Computer Club is a new club that involves students who have had previous computer experience. The students will have an opportunity to write their own programs and work with computer games. This club is under the direction of Mr. Crim.

Activities in the Hunting and Fishing Club include archery shooting, safe handling of muzzle-loaders and rifles, discussions and slide presentations of hunting and fishing trips, and an exchange of ideas on various hunting and fishing techniques. Mr. Hepner is the advisor for this club.

DANCES

To promote interest and attendance, unique themes are created for the school dances. The Student Council sponsored the Homecoming Dance. "Endless Summer" was held by the juniors. The Christmas dance, by the senior class, featured the group ATP. A Snow King, Queen, and Court, along with a Best Dressed Couple, were named. Refreshments were provided.

Victory dances, sponsored by the Booster's Club, were held in the gym after boys' evening basketball games on three Friday nights.

COME ON IN

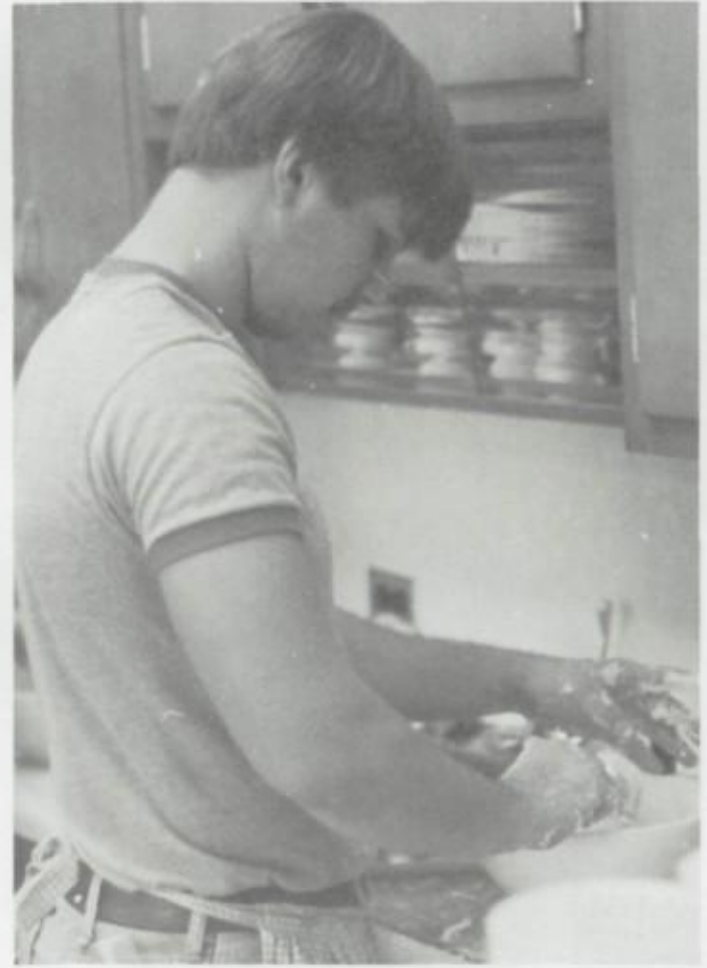

During National Education week of 1983, Tulpehocken High School held an open house. The school was open to the public for a two-hour program. For the first session, all the faculty members and some administrative staff were stationed in the cafeteria and grouped according to their area of instruction. At each station, there were books and papers that are used everyday in the classroom work. Mrs. Eckton also gave an explanation of how she administers tests and helps students choose a career.

In the second session, teachers were in their rooms, available for parent-teacher conferences. Our hostesses were giving tours of the entire building and were demonstrating how our computers work. Over all, open house was a great success.

Distributing the awards

At the induction ceremony of 1983, held on March 8, thirty-two students became new members of the National Honor Society. Senior members spoke on the four areas in which a student must excel: scholarship, leadership, service, and character. In addition, one must maintain at least an 88 average to be considered for selection by the National Honor Society. The topic of the guest speaker, Mr. Harold E. Stern, was pride. Following the ceremony a reception tea was held in the library. Morning announcements and organizing the book room are just a few of the tasks handled by the group.

Bonni Lee Shartle

Becoming Jr. Miss was an enjoyable and a learning experience. It started last June when I was chosen by three preliminary judges to represent Tulpehocken High School in the Berks County Jr. Miss Pageant. Over the summer all twenty finalists, one girl from each school in Berks County, got together to have a swimming party and a picnic, to play miniature golf, and to play the Chester County Jr. Misses in a game of softball.

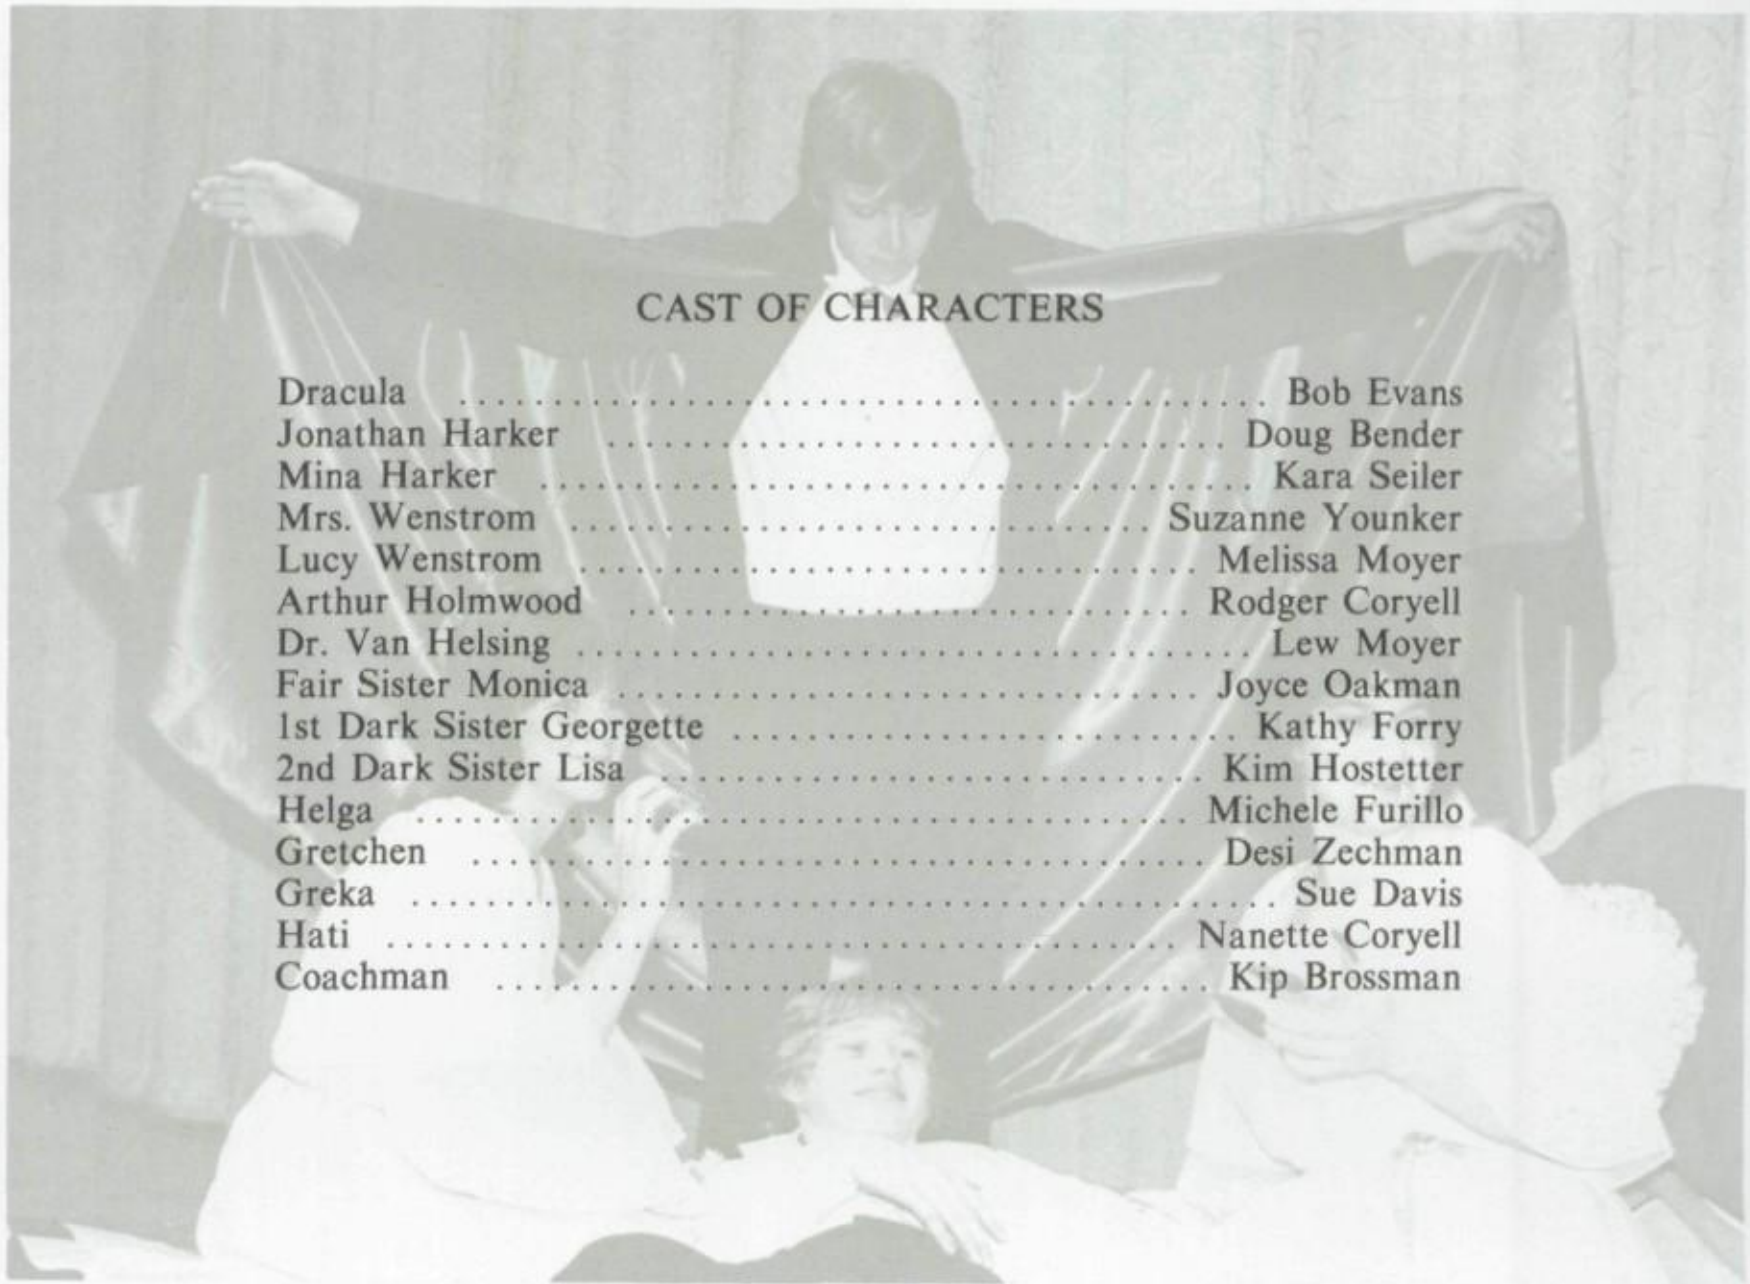

Then the practices started. Every Sunday, from August to October was dedicated to learning routines and dance steps. Some of these practices extended into the early morning hours, as it did the night before the pageant. We finished our dress rehearsal around 1:00 a.m., ate pizza, paired up with another girl, and were sent to spend the night at a chaperone's house.

Finally the big day arrived! On the morning of October 1, 1983, we each had a ten-minute interview by a panel of five judges, which counted for 35 percent of the judging. Then after lunch, the afternoon was ours to practice our talents. I performed a Greek folklore dance to the song "Opsa Pa." In the evening, flowers were handed out and the pageant began. The theme of the pageant was "The Rainbow." We did a sportswear outfit routine, our individual talents, and the evening gowns.

Before I knew it, it was over. Being Tulpehocken's Jr. Miss was certainly a great experience and a memory I will keep forever.

In England, Dracula has Lucy Wenstrom under his hypnotic control. Mina Harker and Dr. Van Helsing try to save her from evil, but are defeated. Major changes were abundant in Student Council this year. First, members and officers were elected democratically through the use of a voting machine. Second, many new activities were started this year. On the first day of school, each faculty member received an apple and a roll of Lifesavers. Each month, three boys and three girls were nominated by Student Council to be Seniors of the Month, which the faculty chose. During color week the students dressed in accordance with the color assigned to that day. Letters from children in grades Kindergarten through third were answered at Christmastime. In the same manner as the carnation sale, a candy cane sale was held with the personalized tag and ribbon. Students wishing to participate in a Heart to Heart Program were matched up within the school through the use of computers. As usual, the first and last dance of the year, canned food drive, door decorating contest, pep rally and Spirit Week, carnation sale, and the senior-faculty breakfast were sponsored by the Student Council. At the end of the year, a volleyball marathon for the American Cancer Society was held. Overall, the Student Council participated in a very active year.

SPIRIT WEEK

Spirit Week is one of the many activities that Student Council plans throughout the year. It was held April 4 to April 8, 1983. The days were as follows:

Monday—Punk Day

Tuesday—Sweat Day

Wednesday—Dress-up Day

Thursday—Twin Day

Friday—Blue & Gold Day

Many people showed their school spirit this year by dressing for each day.

ACTIVITIES

There are many activities throughout the school year—too many for all to be mentioned. Other than sports and dances, there are banquets, contests, and the magazine campaign.

Each year a magazine campaign is held in which we try to reach a sales goal by selling magazine subscriptions. A percentage of the money raised is given to the school and is then put into the activity account.

This year an Oktoberfest was presented by the Foreign Cultures Alliance Club. During each of the three lunch periods, German music was played and lunch consisted of sausage, saurkraut, and strudel. There were also soft pretzels.

One of the activities Student Council held this year was the annual Christmas door-decorating contest. Anyone could participate. All a person had to do was get a group together and sign-up to decorate a certain door. A prize was awarded to the winner.

And of course, last but not least, we wish to thank the secretaries, faculty, and coaches for their willingness to assist us in meeting our deadlines.
